

NEW PROCEDURE FOR TICKET SALES:

With input from our club membership focus group, the RR Dance Club has replaced our current cumbersome and inconvenient process to secure a place in line to purchase tickets. Our goal with this new initiative is to make ticket purchases more streamlined and efficient for you. You will no longer need to arrive early (7:00 am) to secure a line placement number.

- No earlier than 8:00 am on the 1st morning of ticket sales, those buying tickets will send an email to rtrtdanceclub@gmail.com.
(Emails received prior to 8:00 am will be disqualified).

INCLUDE YOUR FIRST AND LAST NAME IN THE SUBJECT BOX.

- If buying tickets for a group, only one person from the group needs to send the email.
- This email determines your place in line for ticket sales beginning at 9:00 am.
- You will receive an auto confirmation reply that your email was received.
- By 8:45 am, arrive at the Clubhouse and you will find a posting of the rtrtdanceclub@gmail.com email inbox listing the emails in the order received and your place in line.
- Line up by number order and commence sales at 9:00 am.
- You can still purchase tickets even if you did not submit an email; you will simply line up after the last person on the email list.
